

USE OF THE DEKRA SEAL – EXTRACT from V-092-05 and ISO 17021

- Utilization of DEKRA Seal is not in conformity with the following table:

Utilization of the DEKRA Seal: 	On the product (*1)	On (large) packages used for the transport of products (*2)	On letterheads and company's brochures
Without any statement	Not permissible	Not permissible	Permissible (*4)
With a statement (*3)	Not permissible	Permissible (*4)	Permissible (*4)

- (*1)= This can either be a tangible product or the individual package of a product. In the case of testing or analysis services, the test or analysis report represents the products (e.g. lab testing reports, calibration certificates, inspection reports, etc.).
- (*2)= These could be wrappings/outer packings out of cardboard or other materials, which do not reach the end-consumer.
- (*3)= This could be a clear statement declaring that „this product has been manufacture in a company whose Quality Management System has been certified to DIN EN ISO 9001“.
- (*4)= When using symbols and Seals attention shall be paid to points 8.3 of ISO/IEC 17021:2016 in order to preclude any violation.

- There shall be no ambiguity, in the mark or accompanying text, as to what has been certified and which certification body has granted the certification. This mark shall not be used on a product nor product packaging nor in any other way that may be interpreted as denoting product conformity.
- The DEKRA seal **may not** be used on a **product** with or without a statement
- DEKRA **may allow** an organisation to provide a **statement only** on a product or packaging or accompanying literature which demonstrates that the product was manufactured under a certified management system, **no seal or mark – only a statement**
- The DEKRA seal / mark **may not** be used on lab tests, calibration or inspection reports or certificates
- The DEKRA seal **may not** be used on large packages (used for transport and packaging of products and NOT intended for the end consumer) **unless there is a statement to the effect** that the product has been manufactured under a certified management system e.g.
 - This product was manufactured (or packaged, etc) by the organisation whose management system is certified by ABC Management system with certificate number 12345 to ISO 9001, ISO 14001 etc or
 - This service is provided by the organisation certified by ABC certification body certificate number to ISO 9001, ISO 14001
